

**THIRD SUNDAY IN EASTER**  
**April 15, 2018**  
**From Pastor's Desk**

Easter Sunday may have been two weeks ago, but Easter Time is just beginning. Other than Ordinary Time, Easter Time is the longest season of the Church year. Unlike Advent and Lent, two seasons that look forward to the two major feast days of the year, Easter is a season that prolongs the feast that's already been celebrated. Because the resurrection of Christ is so important, the event calls for a celebration that continues for many weeks.

During Easter Time, we don't hear any readings from the Old Testament. Instead, the first reading is taken from the Acts of the Apostles, which is like reading a diary of the early Church. We hear how the Apostles, especially Saints Peter and Paul, taught and preached and expanded the Gospel message in, around, and beyond Jerusalem.
